

Spa & Wellness Bansko - Hotel Lion

Most Bulgarian SPA resorts have been in existence since ancient times and have been used by the Thracians, Romans and Slavs. They have successfully treated people throughout the centuries. Bansko is one of the biggest and fastest developing resorts

in the country, which together with its architectural and historical value, makes it very popular destination for winter and summer holidays. The town has the advantage of being located in favorable climatic regions, offering visitors the chance to combine spa and climatic treatments.

Country region: Bansko, Southwestern Bulgaria

Hotel LION**** opened in December 2005 as a luxury and modern hotel, located in one of the most beautiful spots in the country. The hotel offers a full range of services and amenities to suit all your holiday requirements.

Lion hotel specializes in balneology and recreation tourism. The SPA center offers a variety of special procedures and massages such as:

Hot Stone Massage: volcanic stones which are preheated and put on special energetic zones of the body give you their natural energy and help fight against stress. The energy of the stones harmonizes and rebalances your body and stimulates the good health and spiritual harmony.

Chocolate massage: a unique mixture of pure cocoa and cocoa oil, rich in antioxidants, polyphenols and theobromin will energize your skin. The massage will relax you and make you smile after.

Relax and Anti-Stress Massage: Traditional European full-body massage technique which increases circulation, improves skin and muscle tone and soothes tired aching muscles resulting in complete relaxation of body and mind.

Foot massage: The most therapeutically effective massage of the feet. Reflex points on the feet correspond to every organ and gland in the body. Through the feet, the autonomous nervous system, the lymphatic circulation system and the energy meridians are all affected. This stimulates the body's own healing process.

Aroma massage: an ideal massage for body relief using an aromatic balm for the entire body combined with soothing movements that will improve your circulation, leave you feeling unwind and truly relaxed.
